

## **Eloise at Christmastime**

Once there was a little child  
And her name was Eloise  
Here's the thing of it you see  
Eloise is really me

Come and celebrate Christmas with Eloise at Christmastime  
Everybody's at The Plaza and they're all friends of mine  
Come and join the fun it's a grand affair  
It'll make you feel like a millionaire  
Come and celebrate Christmas with Eloise at Christmastime

Once there was a fine hotel  
Central Park across the way  
Here's the thing I'd like to tell  
It's absolutely where I stay

Won't you spend a little time with me at Christmastime this year  
Everybody's coming over and we'd love to see you here  
Where the hotel guests and the town's elite  
Share a Christmas drink, so as a special treat  
Won't you spend a little time with me at Christmastime this year

Once there was a little child  
Who d'you think that she could be?  
Here's the thing of it – it's me  
E-L-O-I-S-E

Won't you celebrate Christmas with Eloise at Christmastime  
Everybody's at The Plaza and they're all friends of mine  
Come and join the fun it's a grand affair  
It'll make you feel like a millionaire  
Come and celebrate Christmas with Eloise at Christmastime

Come and celebrate Christmas with me this Christmastime
